## POPULATION OF ELECTORAL DISTRICTS

Final population counts of the 1961 Census are presented in this report for the 263 federal electoral districts in Canada, based on the Representation Act of 1952. Comparative totals are given for the Censuses of 1956 and 1951.

Details of the population distribution within each electoral district by counties, municipalities, townships, cities, towns, villages, unorganized areas, etc., will be issued at a later date as part of the regular volume series of final reports of the 1961 Census. The purpose of this advance report is to make available summary totals by electoral districts at the earliest possible date.

Le présent rapport contient les chiffres définitifs de la population, d'après le recensement de 1961, des 263 districts électoraux fédéraux du Canada, établis conformément à la loi de 1952 sur la députation. Il contient aussi les chiffres comparatifs des recensements de 1956 et de 1951.

La répartition détaillée de la population dans chaque district électoral par comté, municipalité, township, cité, ville, village, région sans gouvernement local, etc., paraîtra plus tard dans la série régulière de volumes définitifs sur le recensement de 1961. Le but du présent rapport anticipé est de faire connaître les chiffres récapitulatifs par district électoral le plus tôt possible.
